**University
Library Centre —
Sir George
Williams Campus**

Above is a view of the nine-storey terraced and recessed structure as seen from the Henry F. Hall Building. The plan, devised by the architectural firm of Sankey Werleman Guy / Blouin, Blouin has been cited for

fitting into the neighbourhood with "sensitivity" by Canadian Architect magazine which selected it for its award of excellence. The building will allow the library, as well as the Faculty of Commerce & Administration and several university departments to vacate scattered and costly rented facilities.

**Vanier Library Extension —
Loyola Campus**
Lower illustration shows how extension (doubling Vanier Library space) will run east from the original block at left. Scattered facilities will be consolidated in the enlarged structure freeing areas for

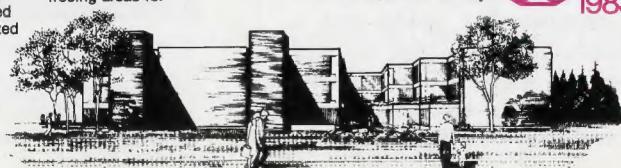

other pressing needs. One of these is a senate chamber. Since Loyola and Sir George Williams merged, facilities have had to be rented at the PSBGM headquarters building.

**National Chairman,
William W. Stinson,
President, Canadian

"I think it is important that we have a strong Concordia in Montreal — and for people to appreciate that Concordia serves all segments of the community — all levels of society."

"So if people see this, if they want to see their city develop culturally and in economic terms, then they will see that

Concordia needs library and laboratory facilities and I believe we shall get these people on board to help us."

HEAD COACH SKIP ROCHELLE

The success experienced by the Concordia Stingers last year came as no surprise to those familiar with the coaching career of head coach, Skip Rochette. Many critics became skeptical of Rochette's appointment after Concordia recorded just one win in his first two seasons. But the veteran mentor continued his rebuilding program step by step, and in 1982 the Stinger faithful were rewarded with the finest team ever fielded by Concordia.

Rochette's squad started slowly last year dropping two of their first three contests. However, the Stingers erupted for 51 points against the Carleton Ravens to even their record at 2-2 and Concordia was off to the races, winning six consecutive games including playoff wins over McGill and Queen's, which provided them with their first Ontario-Quebec Interuniversity Football Conference championship.

Concordia met their Waterloo in London when they dropped a hard fought 17-7 decision to the Western Ontario Mustangs. Although defeated on the scoreboard, Rochette and the Stingers proved to football fans across the country, that Concordia had indeed become one of the top university programs in the country. For his efforts, Skip was named the O.Q.I.F.C. "Coach of the Year" by his coaching peers.

Coach Rochette's work has not been confined to the football field. This summer he was named a guest coach with the Hamilton Tiger Cats of the Canadian Football League. He has also built a strong liaison within the local football circles, having directed Concordia Football Coaches Clinics the past two springs.

That coach Rochette was able to restore life to Concordia football is no surprise to those who have followed his career. He produced consecutive Provincial Championships as head coach of Pierrefonds Comprehensive High School in 1975 and 1976, before moving on to the University of New Brunswick to earn a Masters degree in Physical Education, and serve as offensive co-ordinator for the varsity football team.

Skip's playing career included a four-year stint at the University of Bridgeport, (Conn.), where he quarterbacked the football team and earned a Bachelor of Science degree. In his senior year, Rochette received honourable mention on the All-New England and All-East teams and guided his team in the Knute Rockne Bowl (Division II Championship). Skip then earned a second Bachelor degree in Education at Queen's University, where he led the varsity football team to the Western Bowl. He was drafted twice by C.F.L. teams, the Montreal Alouettes in 1970 and the Winnipeg Blue Bombers in 1971. He resides in Kirkland with his wife Susan and daughter Heather.

BOB HURTUBISE Defensive Co-ordinator

Bob is credited with developing the dominating Stinger league-leading defense, into one of the most demanding, cohesive units in the country. His reputation as one of Canada's most knowledgeable coaches has made him a

familiar figure at coaching clinics. Bob's coaching career includes four years with Concordia and one year with the Simon Fraser Clansmen. Previously he teamed up with coach Rochette at Pierrefonds Comprehensive High School during their title days of '75 and '76.

WAYNE COMMEFORD Offensive Co-ordinator

Wayne starts his first full year with the Stingers, having joined the Concordia staff after training camp last season. A great motivator, who directed the Vanier College Cheetahs to the Canadian College Championship in 1978, Wayne

has had successful stints with the McGill Redmen and St. Pius X High School. Coaches Commeford and Hurtubise provide head coach Rochette with outstanding strategists to coordinate the offensive and defensive teams.

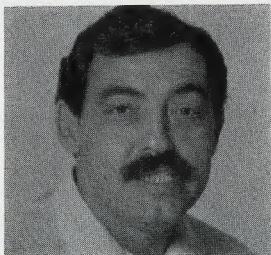

ASSISTANT COACHES

ASSISTANT COACHES - DEFENSE

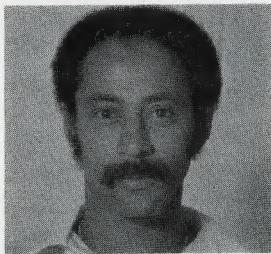

DENNIS DOUGHERTY - LINEBACKER COACH

Dennis has proven to be the most versatile of the Concordia staff. Prior to his appointment as defensive coach, he instructed the specialty teams and offensive line. After stints with the Alouettes, coach Dougherty went on to coach Leo's Boys to the Dominion Juvenile Champions.

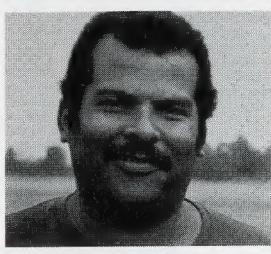

BRYANT FRAZIER - DEFENSIVE BACKFIELD COACH

Coach Frazier is another member of the Stinger staff who has developed an outstanding reputation as a coach and clinician. A former standout player with the London Lords of the Ontario Senior Football League, Bryant spent three years with the Verdun Maple Leafs before heading to Concordia to handle the defensive secondary.

RICHARD GREENIDGE - DEFENSIVE LINE COACH

Richard begins his second year with the Stingers and will handle the defensive line, after coaching the offensive line last year. He has accumulated over ten years coaching experience in the Montreal area, including a tenure as head coach of the Verdun Maple Leafs.

TONY PUGLIESE - LINEBACKER COACH

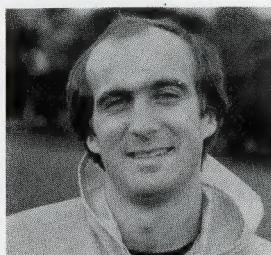

Tony returns for his fifth season to the Stinger staff after a two year hiatus. Tony, who has outstanding knowledge of the game, will handle the linebacking corps. His previous coaching career included three years as an assistant at Bishop's University (1971-74) and two years with the Verdun Maple Leafs (1975-76).

ASSISTANT COACHES - OFFENSE

TONY ADDONA - OFFENSIVE BACKFIELD COACH

Coach Addona begins his second year at Concordia as offensive backfield coach. A fine player in his own right, Tony previously coached and played at Springfield College (Mass.) and Laurier MacDonald High School.

JOHN AIKEN - RECEIVER COACH

John's responsibilities since joining the Concordia staff has included the development of such outstanding receivers as All-Canadian Gerry Prud'homme and rookie sensation Jacques Plourde. He begins his fifth year on coach Rochette's staff after previous coaching stints with the North Shore Lions and Riverdale High School. John was an outstanding player with the Verdun Maple Leafs and received a tryout with the C.F.L. Toronto Argonauts.

MARIO SPINA - GRADUATE ASSISTANT

Coach Spina begins his third year on the Concordia staff and will assist with the offensive backfield and line. Mario is a former "Freshman Athlete of the Year" at Concordia, where a brilliant University career was curtailed by injuries.

FOOTBALL FORECAST

The Concordia Stingers are coming off their best season ever, as head coach Skip Rochette and his assistants prepare for the 1983 season. After a mediocre start which saw Concordia drop two of the first three regular season games, the Stingers put it all together to reel off six straight victories, including playoff wins over football traditions McGill (35-10) and Queen's (25-15). The result was a first-ever O.Q.I.F.C. title, not only for Concordia, but indeed for any Quebec University football team.

The Stingers season ended November 13th in London, Ontario when the University of Western Ontario Mustangs prevailed 17-7 in the National semi-final, a game most observers felt the Stingers should have won. Never-the-less, coach Rochette feels the experience gained by his players last year will be a valuable asset for the 1983 squad. Rochette notes that, "for the first time, we will have a nucleus (of players) that have proven themselves under fire, in playoff competition. If we can achieve the same chemistry as last season, we will have a successful year."

TOUGH CONFERENCE

Once again though, the opposition in the O.Q.I.F.C. will be tough. The Stingers open at home against the always dangerous University of Ottawa Gee Gees, the last team to beat Concordia in a regular season game. In fact the Stingers have only beaten Ottawa once in eight tries over the past eight years, losing 19-15 last season at Ottawa.

Concordia then hits the road for games against arch-rival McGill and perennially strong Queen's, before playing three of their last four contests against Bishop's (2) and Carleton the two schools that failed to make the playoffs in 1982. However, the Gaiters 0-7 record was more a reflection of a disastrous year of crippling injuries that should not happen again, while in the Nation's capital, coach Ace Powell's Carleton Ravens should be ready to challenge the field following two years of rebuilding.

O.Q.I.F.C. to host semi-final

Picking a winner before the teams hit the field is not the easiest thing to do. However, at this point you have to like Concordia as the favorite to repeat, with strong challenges from Ottawa, Queen's, and McGill. Also if any of these three falter, look for Bishop's or Carleton to move into the playoff picture. And, with the Atlantic Conference having withdrawn from the National Championships this year, the O.Q.I.F.C. will host the O.U.A.A. winner in the National semi-final instead of playing in Western Canada as was previously planned; giving the Ontario-Quebec Conference champion a golden opportunity to advance to the Vanier Cup.

The Stingers came close last time around. Don't bet against them in 1983.

Schenley OFC: the only 8-Year Old that's guaranteed right on the back of the bottle.

Canadian law requires distillers to place a stamp on their whisky bottles showing the year the whisky was distilled.

With Schenley OFC, we go a lot further. We certify that our

whisky has been aged in charred white oak casks, for a full 8 years.

We believe 8 years is a perfect aging time for whisky. When it reaches its prime for a smooth, mellow taste.
